

Biography:

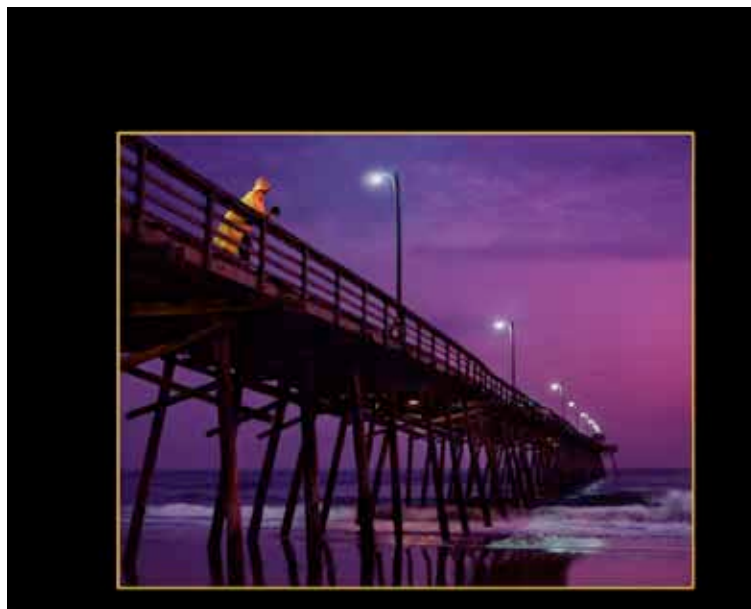

Mark Campbell, M.Photog., Cr., CPP, API, has owned and operated Prestige Photography & Video in Wheeling, West Virginia with his wife Cheryl since 1989. He is a past president of both the Triangle Photographers Association and the Professional Photographers of West Virginia. He also represents West Virginia on PPA's National Council and is a member of PPA's By-Laws, Rules & Ethics Committee. Mark is also a PPA Approved Photographic Instructor.

Mark teaches a variety of marketing and computer related topics to both photographers and non-photographers. He has presented programs for numerous professional photography groups throughout the US as well as Fine Arts Centers and school systems. He has represented Color labs at national trade shows as a calibration and color management expert. He was the number one photographer in West Virginia's 2002 print competition and his very first entry into PPA National competition, "Fisherman's Wharf" appeared on the 2002 Loan Book cover. Since then he has won many competition awards including 3 Kodak Gallery and 2 Fuji Masterpiece Awards. In 2005 Mark was presented with The National Award - PPA's highest service award.

His specialties include Adobe Photoshop® (for which he is an Adobe Certified Expert), and a host of related third-party software, including Page-Layout and business presentation software.
